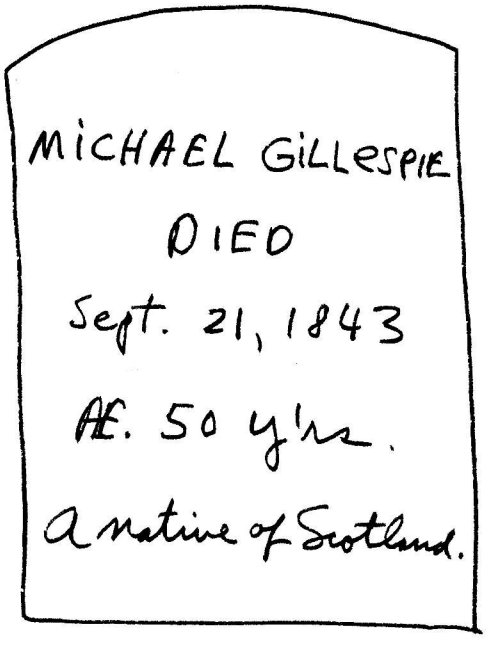
On one of the pages of Eleanor Pritchard Jones' Notes the following is written (by EPJ):

"The Wallace Book says David Liddell came from 'near Dundee' and that he knew Christina Russell in Scotland. They came to America at the same time (1840)"

What is the Wallace Book of which Aunt Eleanor speaks?

Who are the Wallaces in question?

05-25-1981
SRP



Michael Gillespie buried at Elkdale with the permission of Christina (Anderson) Russell -- the mother of his fiancée, Christina Russell, the twin sister of James Russell.
